me: wait
me: is this pic shopped?
Caleb: Nope.
me: freaky ass
Caleb: Yep.
me: with a hyphen
Caleb: And some _Star-Telegram_ columnist wrote a hit-piece on the gal you talked to the other day.
me: what about?
Caleb: For her coverage of a Tea Party.
Caleb: Said she was too excited about it and seemed to be recruiting viewers to join.
Caleb: Which, admittedly, is true.
me: that's unprecedented!
Caleb: But only because that's the editorial position of our station.
Caleb: Which this fat Forth Worth newspaper guy doesn't seem to understand.
Caleb: So now we're having a little media war with them.
me: good
Caleb: The people are on our side.
me: The people!
me: speaking of which
me: I have to defend my assertions that the FSB was responsible for 1999 Russian apartment bombings
me: which they clearly were
Caleb: Speaking of unprecedented.
Caleb: How could you possibly argue that any Russian government would callously slaughter it's own innocent civilians?
Caleb: For it's own political gain no less!
me: and lie about things
me: its
Caleb: Yes.
Caleb: Its
me: need to check yoself, A/V fag
me: we're in my world now
me: the world of TEXT
me: I'M A SHADOWRUNNER
Caleb: Its
Caleb: Oh, also.
Caleb: Did I tell you about the phone call I got at the station the other day regarding Janet

Napolitano?
me: nope
me: do tell
Caleb: "Hello," says I.
Caleb: Deep East Texas accent: "Yes. Do you know the name of the Homeland Security secretary?"
Caleb: "Yessir. Janet Napolitano," says I.
Caleb: "And she was the governor of Arizona, right?"
Caleb: "Yessir," says I.
Caleb: "I just wanted to make sure we're on the same page here."
Caleb: "Yessir," says I.
Caleb: "Now let me ask you this: is she one of them _queers_?"
Caleb: "..."
me: Well?
Caleb: "Because I used to live out there and I heard things, and I just wanted to know."
Caleb: "Well, I suppose there's been speculation, but I don't think any concrete proof has ever been brought to light."
Caleb: "Well. She sure looks like one. I hate to think about whatever it is she does behind closed doors, you know what I mean?!! YEE HAW!!!"
Caleb: And then he was all, "Click."
me: You added the Yee-haw part, right?
Caleb: Well, there was a garbled belly-laugh involved.
me: I see.
me: I'm actually not even sure what to say about that.
Caleb: Pity me, is all.
Caleb: Or really, don't.
Caleb: This is still a much more fruitful intellectual climate than Shamrock.
Caleb: Now I just have to do with these people over the phone as opposed to over the dinner table.
me: Elitist
Caleb: http://www.nydailynews.com/news/ny_crime/2010/05/02/2010-05-02_cops_possible_suspects_in_times_square_car_bomb_include_group_behind_south_park_.html
Caleb: Good for them.
me: Who?
me: Oh, those "Muslims"
Caleb: Everyone involved.
Caleb: But a special kudos to Trey Parker and Matt Stone.
me: Of course
Caleb: Inciting terror attacks.
Caleb: That's so cute.
me: funny that Viacom caved and still got attacked

Caleb: Was it at the Viacom building?
me: nearby
Caleb: Holy shit.
Caleb: Well done.
Caleb: I need to start reading more than just headlines.
me: My mom sent me a message last night asking if I was near Times Square
me: Kind of insulting
Caleb: Where else would you be?
me: T.G.I. Friday's
Caleb: My fave bar.
